

Top 30 Most Influential People In NFL - The List

Adam Hoover September 19, 2016 [Top Lists](#)

Notable people from NFL have graced our screens and influenced fans' lives in one way or another. This list seeks to give an insight on some of the noteworthy contributors and give a little insight on what they have achieved. It is imperative that we put across a disclaimer that this list is not quite exhaustive. As such one may feel that their admired NFL contributor has been left out. We do not seek to undermine anyone's effort. But rather inform the fans on some of their achievements and contributions towards NFL's success.

Our Top 30 NFL People that have made the most impact on the Game

18. Bob LaMonte

As indicated on his website, LaMonte has participated in contracts amounting to more than \$1.25 billion. He represents front office executives as well as coaches from 26 NFL groups. Including Vikings General Manager Rick Spielman and the previous two Vikings head coaches, Brad Childress and the terminated Leslie Frazier.
